4. Urethane Bowling Balls – Updated Link Information

Please note the updated link information that provides the most up to date list of ineligible balls.

Additional Regulation – Urethane Bowling Balls

- Effective immediately, only urethane bowling balls that are manufactured with a **minimum hardness of 78D** and are approved by USBC for use are permitted in IBF events, including World Championships and World Cups.
- Random hardness checks may be carried out during events.
- Any urethane bowling ball that measures below **72D** during inspection will be declared non-compliant and removed from the competition.
- A full list of bowling balls that ***are not eligible*** for use in IBF events is available at:
 - <https://bowl.com/equipment-specifications/athletes>
 - Then select - **National Tournament Ineligible Ball List - 78D Slow Oil Allowed**
 - This will provide the current list of ineligible balls.

Urethane bowling balls that were previously approved and measure below 78D, but remain on the USBC approved ball list, may still be used in tournaments that choose to allow them. However, they are not permitted in IBF events under this regulation.

9. Victory Banquet – Cultural Theme

The Organising Committee is pleased to confirm that the theme for the Victory Banquet evening will be “**Cultural Night.**” This is a celebration of friendship, diversity, and the global spirit of bowling, bringing all participating nations together in one memorable evening.

Participation is not mandatory. However, we would be delighted if athletes, officials, and supporters could join in by wearing traditional attire / cultural dress / national costume (or any culturally-inspired outfit) to showcase the multi-cultural identity of our sport and strengthen the sense of unity among all delegations.
